Dear Sally,

At this time of Thanksgiving I want to express my great appreciation for your support of the Dorothy F. Schmidt College of Arts and Letters throughout the year.

As the new dean of the College, it has been an honor and special pleasure to know our students, faculty and programs are strengthened by friends like you, who share our commitment to education, excellence, and community.

I am very proud of our past accomplishments and look forward to the new year ahead as we pursue academic and artistic distinction in the many areas of inquiry and expression that comprise the College.

You may have already met members of our esteemed faculty and talented students, and share my excitement at their achievements. I invite you to participate in any of our many public and special events to meet and exchange ideas with our performers, writers, artists, anthropologists, diplomats, filmmakers, linguists, historians, social scientists and of course, our students.

I look forward to seeing you soon, and wish you a very Happy Thanksgiving.

Sincerely,

A handwritten signature in cursive script that reads 'Michael'.
